Re: 2001 Year End, 2002 TX Pre-Primary, and 2002 April Quarterly Reports

Dear Mr. Ebinger:

This letter responds to your Request for Additional Information (RAI) dated June 12, 2002. We received this letter on July 1, 2002 and have attempted to promptly respond.

You assert in that letter that Building Our Leadership Diversity ("BOLD") PAC has disclosed "limited" payments for administrative expenses. This is, in fact, the case. BOLD PAC is run primarily by volunteers and incurs very few administrative and overhead expenses. Rent, utilities, salaries, telephone, and equipment are not applicable. All administrative expenses have been fully and properly disclosed.

We hope that this letter provides you with enough information to prevent the prompting of any future Requests for Additional Information with regard to administrative expenses. If you need further clarification, please do not hesitate to contact me at (310) 899-3050.
